mis-stated as "Daniel" when it should have been - - Donald - - . Only one (1) Inventor is here involved and his given name is DONALD. A substitute Declaration is enclosed herewith.

The mistake arose with no deceptive attention. Another Assignment from Applicant in his correct name is being processed with the Assignment Division of USPTO. Applicant's native language is Chinese and he has very limited knowledge of English. He was being guided in execution of documents hereon by the Patent Attorney's office personnel who also are Chinese.

There is no change of inventorship, we are merely correcting his name to straighten out a mistake. As soon as the mistake was uncovered the Taiwan Patent Attorney's office took appropriate steps to put this Petition in motion. No inventor is being deleted from the invention. There is no person named Daniel P.H. WU involved with this matter. The Assignee is not effected. The mistake is regretted.

A check in the amount of One Hundred Thirty Dollars (\$130.00) is enclosed herewith to cover the Petition Fee.

The underlined United States Patent Attorney is familiar with all of the facts set forth herein. Statements made of his own knowledge are true and all statements made on information and belief are believed to be true; and further these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize

validity of the Application or any Patent to issue thereon.

Respectfully,
